*Your Board of Trustees met on Wednesday evening 07 August 2024.*

***Sadly we have accepted the resignation of our principal Sepora Mauigoa.***

*We have huge gratitude for her service to us and wish her every success in her work with TAUTAI o le MOANA. In her work she supports other schools to plan for the success of pasifika students. Sepora will continue to support Glendene School in this way.*

*The staff will begin planning for a special occasion to celebrate Sepora, where you can all join us. Our next step as a Board of Trustees is to ask the community, teachers and students what qualities they would like to have in a new principal. A survey will be sent to you before the end of this term. I will continue leading the school throughout 2024 and into the start of 2025.*

*You are invited to join the closed FACEBOOK group called **Glendene School Families**. There is also a Glendene School page for the wider community to view school messages and occasional events.*

***Nāku noa, nā  
AnnMaree Molloy  
Acting Principal***

### **GLENDENE SCHOOL UNIFORMS**

Children must be in the correct school uniform every day. Students will be asked to remove items of clothing that are not uniform. Please remind your children at home about looking after their school jumpers when they are at school. Please name your child's uniform if you have not done so yet. We encourage children to put their school jumpers in their bags if they take them off.

### **PHOTOLIFE (Individual, Class and Sibling Photos) - Update**

All families were sent an email to order their children's photos. If you would like to order your children's photos, please contact the school office to have your access code emailed to you so you can order the photos online through Photolife. Please note there will be a delivery fee as the free delivery date has already expired.

## **ETAP @SCHOOLS CAREGIVER APP**

We encourage all families to sign up to the Etap @schools caregiver app. This is a great way to report your child's attendance or book times for the upcoming learning meetings. The app will also give you the percentage of your child's absence from school. If you are having trouble with the app, please phone or email the school office to book a time to come in and Cecilia will help you with the app. If you would like the login email to be sent to you, please let the school office know.

## **GLENDENE SCHOOL COMMUNICATION**

All communication is always sent out via email or etap. If you have changed your email address or contact number, please contact the school office so we can update your details. Newsletters will also be available on our website.

## **GLENDENE SCHOOL FAMILIES FACEBOOK PAGE**

Glendene School Families

Our facebook page is also another form of communication with our families. This is a closed page. To join you will have to answer one question. Only current families attending Glendene School will be on this page.

**Glendene School Policy - Please see below:**

### **Staying home and exclusion periods**

To stop infection from spreading, we expect students and staff to stay at home when they are ill and/or symptomatic. The recommended period of time that someone should stay home depends on the illness. Students must stay home for at least 48 hours if they are ill (e.g. vomiting, diarrhoea, bad coughing). The HealthEd **infectious diseases table** provides recommended exclusion periods for a number of common childhood illnesses. We encourage people to seek advice from their own health providers, and to contact **Healthline** for advice if needed.

We follow guidance from HealthEd and the Ministry of Health for how long students, staff, and workers should stay away from the school if they have a more **serious illness/infection**. If someone at our school shows symptoms of a serious infection/illness, they are separated from others while waiting to be taken home.

With the exception of tetanus, students, staff, or workers with illnesses that have an available vaccine may be required to stay home under a health order issued by the Medical Officer of Health. Anyone who has potentially been exposed to the infection/illness and has not been immunised should also stay away from the school.
